Dear FUMC Family,

“By the sweat of your face you shall eat bread until you return to the ground, for out of it you were taken; you are dust, and to dust you shall return” (Genesis 3:19). How beautiful our lives are! God's mysterious creation brings us to this land for a while. The lesson that this pile of hay gives us is simple. Thanks to God's astonishing creation, we come from the dust and go back to the it. If we feel that our lives are given as gifts, how can we not be grateful every day?

Peace,  
Pastor ChangYong Shin
